Our Network & Experience opens up Possibilities Globally

In the field of Logistics & Relocations, it is always about timing.
Our network and relationship opens up routes and possibilities for our shipments.
We find the best possible way to reach any destination every time.
We strive to give true customer delight.
We have storage facilities at several sea ports and dry ports across
India and USA.

Logistically speaking, we cover World Wide Destinations

We are FMC-OTI, MTO, IATA
& Custom Broker with active
Licences across all Sea, ICDs & Air ports of India & USA

We Facilitate Logistics Globally

We logistically deduce the ideal way to move your shipment in and out of the country.

We play an important role in the complex scheme of Global Trade by facilitating smooth movement of exim goods.

We partner well with all who export from and import to India & USA by providing a comprehensive range of services.

Our mission is to be a preferred global partner to our clients offering reliable, competitive “one-stop, door-to-door” logistics and relocation solutions.

To understand customer needs and provide timely, efficient, comprehensive solutions, using innovation and technology, thereby enabling customers to focus on their core business.

To achieve our vision and mission by attracting and retaining the best talent.

Company Goals and Principles

INDEPENDENCE

IGL is a closely held, independent organization that bases its code of conduct on the traditional values of an Indian family.

MUTUAL TRUST

In setting our aims and ambitions for the future, the managing team at IGL believes that mutual trust must exist between our clients, staff and partners to ensure success. It is with this concept that the people at the helm feel assured of having established stable, sound foundation for the future.

EQUALITY

To achieve its ambitions, the Company has determined that equality in all respects must prevail throughout the company so that staff, our most important asset, can act freely with confidence in their own ability.

RESPONSIBILITY

The purpose of our group is for planned, sustained growth within the accepted parameters of ethical business resulting in a long-term relationship with our clients and the well being of our staff and partners.
